### ROOSEVELT IN SPEECH BOOSTS

Cincinnati, Dec. 15-In a war time speech at a patriotic meeting here ast night, former President Theodore Roosevelt made an urgent appeal for the purchase of thrift stamps and war certificates, as well as for the Red Cross.

"Germany has said that the moneyed people of America were backing this war," said Mr. Roosevelt. "Let 1887 and was rushed to completion get into this thrift stamp buying habit, and throw this statement back into the faces of the Teutons, by letting them know that every woman and child in America is back of this war."

# EIFFEL, BUILDER

The most famous tower since that of Babel is the Eiffel Tower in Paris, Everybody saying it was a heck of a a monument to the engineering gentrick, but Sid woodent give back eny jus of Gustave Eiffel, who was born at Dijon, France, 85 years ago today. Among many other important engineering works, Eiffel built the huge framework of the Statue of Liberty which now stands in New York har-THRIFT STAMPS bor, and it was this that gave him the germ of the ideas which he on the Champ de Mars in Paris, which was hailed as one of the great wonders of the modern world, which made Eiffel's name a household word the world over.

The tower was built as one of the features of the Paris exposition of 1889. The work was commenced in every man, woman and child of us within the specified time. The structure, which rises to the height of 1,000 was built of iron lattice-work, and 7,300 tons of metal were used in its construction. Three sets of elevators carry the people to the top, where the structure is capped by an immense lantern. The cost of tower was over a million dollars, the French government contributing \$292,-000. Eiffel made a fortune out of the 20 years' lease given him. Many uses have been developed for the Eiffel Tower. At the present time it is per-Danbury, Dec. 15-Mrs. Jennie B. haps the most important wireless sta-Townsend, 75 years old, was burned tion in Europe. Its importance from

height is the Woolworth building in New York, which is 865 feet in height. Buenos Ayres, the South American metropolis, has for a long time been planning the erection of a tower to suspass the Eiffel Tower in height and in cost. As the pioneer among modern tower builders, M. Eiffel has gained an imperishable name.

A STRAY YELLOW DOG.

He was a vagrant and marauder in the vicinity. Only a yellow dog that nobody owned.

You have seen the type-everybody has. Legitimate prey of the small boy, object of scorn of all adult humanity, ranking lower in the scale of life than the tube culosis bacillus and the vermiform appendix, the stray yellow dog has always been in a class by himself, and always at the foot of This particular stray yellow dog was

but a type of uncounted thousands. Every town knows him. Every boy shies stones at him and ties cans to his tail and sends him skally-hooting out of the neighborhood. . It is at the expense of the stray yellow dog that the modern boy gives vent to the savage that is in him ,and goes unreprov-

his head to gain his confidence, But only long enough to tie a tin can to his tail.

Now, this dog was familiar with hend just now." cans, and quietly sat down, facing the boy with a look of sadness and re-

Then the boy kicked the dog and started him off. He threw some stones to learn what frozen meat is and how after him to set him going. But the to buy and use it, according to Ardog when he had got beyond the mour's Magazine. This product has reach of the stones sat down again long been used abroad, but in the and resumed his speechless re- United States is sold chiefly to hotels proaches.
